

Sponsorship for 2024 Season

Lower Alabama Volleyball Club provides girls ages 11-18 an opportunity to get volleyball training at the highest level. We want to help our athletes with more than just volleyball. Girls who play sports learn skill sets that will help them throughout life like teamwork and goal setting, and more importantly, sports help young girls with self-confidence. To offset the cost of club volleyball, we are creating an opportunity for businesses to sponsor players. The sponsorships will help with travel costs, tournament entry fees, equipment, and administration fees. Each sponsorship sold goes DIRECTLY TO THE ATHLETE'S DUES.
